

-9-

REMARKS

The Applicants thank the Examiner for the helpful telephone conference of February 22, 2005. The Examiner requested that the title be amended to be more descriptive, and to amend independent Claims 1, 14 and 38 to replace the language "single alignment edge" with the language --- only one alignment edge ---, in order to put the application in condition for allowance.

Accordingly, the Applicants have amended the title and the claims as requested by the Examiner. Therefore, Claims 1-26, 28-31, 35, 36 and 38-50, as amended, are now in condition for allowance. Reconsideration is respectfully requested.

CONCLUSION

In view of the above amendments and remarks, it is believed that all claims are in condition for allowance, and it is respectfully requested that the application be passed to issue. If the Examiner feels that a telephone conference would expedite prosecution of this case, the Examiner is invited to call the undersigned.

Respectfully submitted,

HAMILTON, BROOK, SMITH & REYNOLDS, P.C.
